

Instruction to get to Beccafico

From Portoferraio **follow the signs to Portoazzurro and Capoliveri**. You will pass by the Terme di San Giovanni and a sports field (rugby) (you will find them on your left). **Go straight** and step next to the Golf (always on your left).

After the avenue that runs along the Golf, you will find yourself at **a junction**: "Portoazzurro / Capoliveri (straight), Lacona (right)". **Take the road on the right towards Lacona** (slightly uphill).

At the end of the slope you will find on your left the **writing "Locations Norsi"** and a dirt road that goes towards the beach: take this road and after 200 meters you will find **a green gate on the left at street number 8 and 22**.

Go up the avenue and you are arrived !
